FORESTRY INFORMATION CENTRE

Dear User,

The Forestry Information Centre Alert Service is a list of materials added to our collection. The list only includes materials acquired by the Centre between **June/July 2009**. Sometimes older material will appear in the list because we have only recently received it. This list is organised in alphabetical order.

Please feel free to come and consult, borrow or reserve the items that you are interested in.

REMINDER: for every FAO's forestry publication 3 copies must be sent to the Forestry Information Centre. In this way we can preserve the Forestry Department institucional memory and assure to all users an integral and complete collection, accessible to all.

Enjoy your reading,

Ms. Vanda Ferreira dos Santos
